

Where to find your Australian Auditing Toolkit link:

The screenshot shows the user interface of the Chartered Accountants website. At the top, there is a navigation bar with links for Home, Contact Us, Help, Register, Site Map, and Change Font Size. Below this is a secondary navigation bar with categories like Education, Careers, Industry Influence, and Resource Centre. A 'My' menu is visible, containing links for My Details, My Career, My Education, My Subscriptions, My Entitlements, and Working in Business. A dropdown menu is open under 'My Subscriptions', showing options for Newsletter Subscriptions, On-line Products, and Pay Subscriptions. The main content area is divided into several sections: News (with articles on Federal budget, Chartered Accountants Program, and Student Challenge), Working in Business (with articles on Leadership, Certificates of Public Practice, and Standards questions), and Industry Influence (with articles on Leadership and Lobbying). There are also sections for Candidate Resources and Useful Links. A 'Noticeboard' at the top left contains a message about subscription payments. A 'CCH' logo is visible at the bottom right.
